Palatka Men Honored.

Palatka had two of its bright pharmacists at the meeting of the State Pharmaceutical Association in Tampa last week. They were Joseph H. Haughton and David W. Ramsaur. Both were leaders in the convention and both made a tolerably fair showing at the banquet, where there was an unbending pharmaceutical dignity and a loosening of abdominal buttoning. Both were honored with official station in the association; Mr. Haughton being elected to the chairmanship of the executive committee, and Mr. Ramsaur to the secretaryship.

SPRAINED ANKLE, STIFF NECK, LAME Shoulder.

These are three common ailments for which Chamberlain's Pain Balm is especially valuable. If promptly applied it will save you time, money and suffering when troubled with any one of these ailments. For sale by Ackerman & Stewart.

Normal Institute at Hawthorne.

Term begins July 10th and continues eight weeks. Good accommodations at reasonable rates. For further particulars address J. N. Overholtz, Kenka, Fla. June 23-8 t.

THE MID-WINTER FAIR.

Tampa is Getting Ready for the Big Event.

Tampa, June 22d.—That the Florida state Mid-Winter Fair, to be held in this city during the coming fall, on dates later to be decided for the convenience of all counties participating, will be superior in every way to any state fair ever held in the south, is already evident.

The last legislature, as is generally known, appropriated the sum of \$15,000 annually for two years to the Fair association, composed of the leading business men of Hillsborough and other counties, to be used for the payment of premiums alone and not for building and other fair expenses. This is the largest appropriation ever made for such a purpose by a southern state, and the premiums will be paid to individuals in those of the South Florida Fair, held in Tampa last November. Every county in Florida is expected to be represented, as is every individual producer, and it is hoped that no section will fail to get its share of the large premiums to be paid to individuals in those of the South Florida Fair, held in Tampa last November. Every county in Florida is expected to be represented, as is every individual producer, and it is hoped that no section will fail to get its share of the large premiums to be paid to individuals in those of the South Florida Fair, held in Tampa last November.
